Senior Slide Show Information – Class of 2010

Each senior can turn in 3 pictures. It is recommended that you turn in a photo from a very young age and a high school photo. All pictures must be turned in as prints. **No digital media.** You can convert your digital photos at Walgreen's or Costco (cost is minimal, around 20 cents each).

If you purchase the Senior Video DVD's, there is no charge for you to put in your pictures. Those that wish to participate in Senior Slide Show and don't purchase the DVD's – will be charged 5 dollars at the time they turn in their pictures.

All pictures will be screened. If your picture is pulled, because of something considered inappropriate or a poor quality photo, you will not be notified. You will not have an opportunity to replace any photos once they are turned in. *Make good decisions!*

Pictures appear in the Senior Slide Show in the order they are turned in. If you want to be with your friends, plan on turning them in at the same time.

Envelopes are available in room 303. **Put your name on the outside and don't seal the envelope.**
